Full Release:

New York, New York. The Mom's Choice Awards® has named Green Rank's "SAVE OUR OCEANS" EBOOK as among the best in family-friendly media, products and services. The MCA evaluation process uses a propriety methodology in which entries are scored on a number of elements including production quality, design, educational value, entertainment value, originality, appeal, and cost.

"We are thrilled to earn the Mom's Choice Awards Honoring Excellence Seal of Approval," says Maria Gagos. "Our free, interactive eBooks are used and loved by kids, parents and educators alike."

"Our aim to introduce families and educators to best-in-class products and services," explains Dawn Matheson, Executive Director of the Mom's Choice Awards. "We have a passion to help families grow emotionally, physically and spiritually. Parents and educators know that products and services bearing our seal of approval are high-quality and also a great value. The MCA evaluation program is designed to incorporate the expertise of scientists, physicians and other specialists; but we also engage parents, children, educators, and caregivers because they are experts in knowing what is best for their families."
